

Welcome to the New School Year!

We have two upcoming events designed to support you in understanding and engaging with your child's education at Montessori Visions Academy.

Our first event is Philosophy Night on Thursday, 8/20, at 5:30pm at the Warm Springs Campus. During this evening, we will explore the Montessori philosophy and the different academic areas of the classroom. We'll share insight into how we approach learning and teaching in the Montessori environment, as well as practical strategies and ideas you can incorporate at home to support your child's development and learning.

Our second event is Silent Journey on Friday, 9/18, at 5:00pm at the Warm Springs Campus.

This unique experience will give you the opportunity to explore Montessori materials from Early Childhood through High School, providing a visual understanding of the progression of the curriculum. You'll see how materials evolve as children grow, how they are presented and used at different age levels, and how they are thoughtfully designed to foster independence, concentration, and a lifelong love of learning.

We hope you'll join us for these special opportunities to learn more about your child's Montessori experience and discover ways to support their journey both at school and at home.

DROP OFF AND PICK UP PROCEDURES

Please remember to stay in your vehicle if you are using the drive through lane, allowing teachers to escort your child in and out of the car from the passenger side. If parking lot is full, please drive by and loop back around to try again. If you choose to come in, please park in a designated spot and bring your child to the classroom door, but do not enter the classroom, allowing your child to enter independently or with support of the teacher if needed. After school begins, we appreciate your help by keeping the hallways quiet so as not to disrupt our learners. At the Warm Springs campus, some classrooms begin as early as 8am. Thanks for your help in keeping our students safe!

Montessori **AT HOME**

We would like to welcome back all of our returning children and families and extend a warm greeting to all of our new students and families. Back to school is always a time of excitement, yet with that comes anxiety and nervousness for many children.

Parents can help prepare their children for the transition to school by speaking positively about their first days (back) in school, the new friends they will make, and the exciting things they will learn. Remember that quick transitions are the easiest for children. Long goodbyes can heighten stress and make it more difficult to calm down in the classroom.

We will do our best to ensure the transition is as seamless as possible and to ensure that each child feels loved, respected and safe. A Montessori learning environment is like no other ... our main objective at Montessori Visions Academy is to provide a carefully planned, stimulating environment which will help children to develop within themselves the foundational habits, attitudes, skills and ideas essential for a lifetime of creative thinking and learning. Respect and courtesy in our Montessori school is the foundation for everything we do. Each Montessori teacher is here to nurture, support and guide them each and every day. We are honored that you have chosen our school and we are confident that this will be a wonderful year for everyone involved!

LEAGUE SPORTS

We can't wait to enter our second year playing sports with the NCSAA Sports League for the upcoming school year. We do need parent volunteers to coach in order to build teams.

Visit the [NCSAA website](#) for more information about the fall sports offered: flag football, volleyball, cross country, and baseball. See the front desk to sign up by 8/14/26.

purple star school

We are pleased to be a Nevada Purple Star School!

As part of our Purple Star School initiative, we are have implemented a buddy system for military families. We will partner new military families with existing military families for additional support. If you are a military family and would like to participate or be partnered with another military family, please see the front desk.

COMMUNITY OUTREACH

We are honored to participate in a school-wide outreach program for the 26/27 school year. Each month one class will help make 300 lunches for impoverished people in the Las Vegas community. Students will prepare the lunches during the school day, and teachers will deliver the lunches to Las Vegas Catholic Worker after school who will distribute the lunches to those in need the following morning. Please fill in this [form](#) and return to the office prior to your child's classroom's turn to participate.
