Advanced Placement Information

Students that enroll in Honors level courses during their Freshman, Sophomore, and Junior years are better prepared for Advanced Placement (AP) courses during their Senior year. Students need written permission from the AP course instructor to be considered to take an AP course. Students that are interested in taking AP courses next year need to decide soon whether they are eligible for these classes and prepared to take on the commitment. An individual conference may be scheduled with the student, their parents, and previous teachers if appropriate to discuss the class expectations and benefits.

Advance Placement Courses (may include but are not limited to)

AP English Literature & Composition

AP English Language & Composition

AP US History

AP US Government & Politics

AP Chemistry

I am interested in taking Advanced Placement course/s. I would like to get the information packet regarding the following course/s:

AP _____

AP _____
