

GIVING TO THE COMMUNITY

A message from Ms. Bossy

Dear Parents,

We are collecting holiday gifts for impoverished children. Please select a tag from our giving tree, leaving the top portion with your name and the child's name at the front desk, and returning the bottom portion with a wrapped gift for the child no later than 12/9/22. Please encourage your student to donate and discuss why we help those in need based on your family's personal beliefs and values.

We will also be discussing the gift of food and ways we can share with others who are in need. We have a box in the front office of each campus from now through December 9th for students to donate canned and boxed foods to support impoverished families in Las Vegas, in conjunction with Ronald McDonald House and Catholic Worker.

Holiday Grams & Plushies

Order holiday grams and plushies for your child or for an entire classroom! Orders can be placed by completing the attached order form and including cash (preferred) or we will bill your account. They will be delivered in class the week of December 12th-16th.

WINTER BREAK

We are closed for Winter Break from December 19, 2022-January 2, 2023. However, we will be offering drop-in care daily during that time. Our spots are limited and will be accepted on a first-come, first-serve basis. To reserve a spot for winter break care, please return the sign-up sheet attached or contact the front desk by December 2, 2022. In this way, we can schedule our staff appropriately and allow for some additional time off for them to be with their families. Non-refundable winter break care tuition is additional to the school year tuition and will be due when holiday care is scheduled, no later than December 2nd. There are two forms attached, one for infants and toddlers and one for primary and elementary, as tuition is paid differently for these levels. Please use the appropriate form for your child. Please see the front desk with any questions.
