

THANK YOU

A message from Ms. Bossy

We want to extend a HUGE "Thank You" to everyone who supported us and helped to make this year's PTO Auction Dinner Fundraiser such a success! We had a wonderful time as well as raised funds to support our school's technology and our S.T.E.A.M. curriculum. Winners of events should connect with teachers and plan your outings to happen before the end of the school year. As we continue to close out the accounting from the event, non-profit letters will be going out to our generous donors over the next few weeks. Please contact the front office if you would like a letter for your contribution.

Re-Registration

Re-registration is taking place now! Our early bird re-registration period has ended. Please ensure you have re-registered by 4/15/23 to ensure your spot is held for the upcoming school year. To re-register, please fill out and sign the [financial agreement](#) and return it to the school with the re-registration fee. Please also let us know if you have any changes to your address, email, approved pick-up list, or phone number, and give us copies of any updated immunization records. If your child is not returning, please let us know. After 4/15/23, we will notify students on the waiting list for any potential openings.

As the weather heats up, Mrs. Katz would like to remind everyone to stay safe by bringing a hat and a water bottle for P.E. Applying sunscreen each morning before school is also encouraged.

Mrs. Katz will be hosting Field Days for both campuses. Sunset and Warm Springs toddler and primary students enjoy a variety of outdoor water games from 9-11am. Students are encouraged to wear an outfit for water play to school on their assigned day and bring their standard school attire to change into afterward.

Elementary through AC students will enjoy a full day of field sports and water games. These students are encouraged to wear an outfit based on the color assigned to them by Mrs. Katz on their assigned day and bring an outfit for water games to change into for the afternoon. Water clothing must include shorts and a top that covers the whole torso. Swimsuits are ok, no bikinis, please.

Infants will remain in their classroom wearing regular attire but enjoying fun activities.
