

Primary Sharing 2023-2024

The object of sharing is to support language and community development based on our Cultural studies (Botany, Zoology, History, Geography, Music) and Holiday Studies. Sharing will occur weekly on Friday, unless otherwise specified. We encourage the students to bring an object, picture, or book based on theme each week. Please, no live animals without prior approval from the Administrative staff. Spirit Assemblies occur monthly and are based on our Community Development and Cultural Studies. Students are encouraged, but not required, to wear their Mustang spirit shirts on Spirit Assembly days.
