# Get ready for a summer filled with adventure!

**Summer Adventures:** Kick off summer with four days of activities such as summer safety, summer bugs, summer Olympics and summer water fun. Sports and water play will round out this start to summer. Students in 1st grade and up may go on a field trip to the fountains at The District (field trip fees apply).

**Ocean Adventures:** Discover unique sea creatures and learn about properties of water through hands on activities and experiments. Students in 1st grade and up may go on a field trip to the aquarium (field trip fees apply).

**Adventures in Science:** Let goo run through your fingers and make your hair stand on end. Blast a volcano and discover how some animals can walk on water. Goggles and lab coat recommended. Students in 1st grade and up may go on a field trip to the Discovery Museum (field trip fees apply).

**Adventures in Storyland:** Take a magical journey down a rabbit hole, a chocolate river, a yellow brick road, or hop through the Land of the Truffula Trees! Let your imagination take flight in this colorful camp! Students will choose characters and create their own mixed-up, wacky versions of Willy Wonka, Alice in Wonderland, Dr. Seuss, Wizard of Oz for a fun-filled experience! Art, theatre, and storytelling combine in this creative and magical camp!

**Adventures in Music:** Join in on the musical fun with singing and movement games. Learn cultural dances and play instruments to create your own music.

**Art Adventures:** Paint like Picasso or create an abstract like Pollock. Use different materials to create original art. Reduce, reuse and recycle by taking household junk to create items of value and display them at your own art exhibit.

**Adventures in Space:** From astronomy to rocket science, this camp is sure to be a BLAST! Students in 1st grade and up may go on a field trip to the Planetarium (field trip fees apply).

**Adventures in Theater:** Participate in improv, comedy, and other theater games to bring theater to life. Wear various costumes and act out mini plays.

**Adventures in Cooking:** Become a top chef as you experience the joy of cooking while learning culinary skills and meal planning. Learn how to slice, cube, roll, grate, whisk, peel, bake, and decorate! Students in first grade and older may visit Ethel M to see how candy is made (field trip fees apply). Then design your own treats to share with your family.

**Adventures South of the Border:** Grab your passport for an adventure to the South! Young explorers will discover the rich cultures from Latin and South America, Mexico, Polynesia, and Australia. Experience a fiesta with colorful costumes and instruments, a jungle excursion, colorful luau and limbo game, a canoe story dance, Aboriginal art from the Outback, and much more! Your adventure awaits!

**Adventures in Sports:** Work out in style and enjoy sports and games from around the world! Students in 1st grade and up may go on a field trip to Sunset Park.
