Parking Lot Safety

Please remember to only get in the drive through lane during the times associated with your child's schedule. At the Warm Springs campus, if you have a student in 1st-12th grade, please do not arrive before 3pm, we will ask you to move your car if you do so. To pick up primary students or toddlers at either campus, please do not arrive before 3:15pm. If you arrive before or after the designated time frame, please park in an appropriate spot and come into the building. If there are cars lined up to the street, PLEASE drive past the school and loop around, giving time for the parking lot to clear. Please do not line up in the street or allow your car to stick out into the street as this is unsafe for you and others. Please follow the directives of the staff while in the parking lot. We appreciate your support in keeping our parking lot safe.
