### Drop Off and Pick Up Procedures

Please remember to stay in your vehicle if you are using the drive through lane, allowing teachers to escort your child in and out of the car from the passenger side. If parking lot is full, please drive by and loop back around to try again. If you choose to come in, please park in a designated spot and bring your child to the classroom door, but do not enter the classroom, allowing your child to enter independently or with support of the teacher if needed. After school begins, we appreciate your help by keeping the hallways quiet so as not to disrupt our learners. At the Warm Springs campus, some classrooms begin as early as 8am. Thanks for your help in keeping our students safe!

## CARPOOL REQUEST

Are there any families coming to MVA from St. Rose and Eastern area? We have a family in need of a carpool. See the Warm Springs front desk if you can help this student!
