

**Montessori Education Week Agenda
2/21/23-3/4/23**

Dear Families of Montessori Visions Academy,

Join us for our 20th annual celebration of Montessori Education week. We have many fun and informative events planned all week and babysitting will be available for each evening event. We invite you to join us for any of the following events.

Help us Share the Vision about Montessori Education!

2/21-23, Tuesday-Thursday, Science Fair: Elementary and Adolescent Community students will present in their classrooms during the day. Projects will be on display for parents to view on Thursday, 2/23, between 3p-5p. We invite parents to let us know if they are available to judge on any of these days.

2/24 Friday, Famous Americans- Warm Springs & Sunset Campuses, Older Primary students at both campuses will be presenting information from 9am to 11am about the famous Americans they researched with their families. Presentations will take place outside at your child's campus and parents are invited to watch the presentations.

2/24 Friday, Silent Journey- Warm Springs, 5:30-7:00 pm. We invite families from both campuses to join us to experience the sequential materials and curriculum of Montessori from Infancy through High School. This event will be held in person, at the Warm Springs campus. We will offer care for your children if you have no other option. This is a very powerful way to see the flow of the Montessori environment.

2/25 Saturday, Morning Family Yoga - Sunset Campus, 9am to 10am. We invite families to join us for a family yoga event outdoors at our Sunset campus. Bring your yoga mats and join us for a peaceful way to start your day.

2/27-3/3, Monday-Friday, Open Houses - Held in your child's classroom, let your children teach you demonstrating materials that they are currently using. This is a wonderful opportunity for your child to share their excitement for learning with you! Each classroom has 2 options, come to the time that works best for you.
