

Tuition

Enrollment and Financial Agreement

Montessori Visions Academy offers a nurturing, college preparatory education for students from birth through 12th grade. We follow an academic year calendar with an optional summer camp program. Our academic program is from 8:00 or 8:30 am to 3:00 or 3:30 pm, Monday through Friday. We also offer an extended curriculum from 7:30 am to 8:30 am and from 3:30 pm to 5:30 pm. Regular tuition is due regardless of absences and for the academic calendar, which includes no school during winter and spring break, traditional holidays, and in-service days.

Montessori Visions Academy has an annual tuition based upon the academic school year beginning in August through May annually, with normal school hours from 8:00am to 3:30pm based on the grade level. Tuition is listed below and may be paid in one installment by 8/1, in 4 installments, or in 9 installments with a payment processing fee. Language Immersion Programs are available for an additional fee. The Infant/Toddler program is open twelve months per year and payments are made monthly with weekly tuition-free vacation available during summer months. Drop-in care is available for students that have applied and registered, based on staff availability. Extended Care Tuition is contracted and added to the tuition payment plan. Acceptable forms of payment are credit card, debit card, checks or cash. Tuition is due on the first of the month for any plan and a \$25.00 late fee will be assessed on any balance not paid in full within 5 days of the due date. For families paying monthly or in 4 or 9 installments, we require a deposit or pre-authorization to charge your credit card if payment is not made within 5 days and withdrawal may be required. Statements will be given only when tuition is late. If students enroll after the first day of school, tuition will be prorated and a prorated start-up fee will be due, then the selected installment plan will go into effect following the prorated start-up fee. The Materials Fee, paid annually, covers paper supplies and booklets provided to students. Activities and incidentals such as yearbooks, field trips, and pictures are optional and additional. Adolescent Community optional fees are described in the Adolescent Handbook. If it becomes necessary for you to withdraw your child from our school program or extended care programs, at least one month advance written notice is required, and tuition through the final calendar month will be calculated based on the 9 installment plan (i.e. January 15th withdrawal letter received, 7 installments due, 8/1-2/1). The deposit will be applied to the final month and the balance will be due by the 1st of the final calendar month. There are no refunds after April 1st. A discount of 10% is available for each additional child, with equal or lower tuition, after the first child enrolled from the same immediate family.

I acknowledge and accept the policies of Montessori Visions Academy as stated in the Parent Handbook and in this Financial Agreement, and am advised that any changes will be communicated in the school newsletter. I understand that payments must be kept current and I accept responsibility for these payments according to the plan marked.
